

DIGITAL ART REPRODUCTION

Information, Requirements and Pricing

Updated: October 26, 2023

PRICES:

The pricing structure is charged per piece, regardless of size. The max sized original that is currently accepted is 36" x 48".

1 Piece: \$100.00

2 Pieces: \$90.00 ea.

3-5 Pieces: \$75.00 ea.

6-9 Pieces: \$65.00 ea.

10+ Pieces: \$55.00 ea.

All prices listed are in CAD and do not include taxes (5% GST).

Each original piece is photographed in-studio using the highest possible resolution in a custom lit, fully controlled environment. The most up-to-date Adobe software is used in post-processing to create the most color-accurate and detailed file. Custom sized resolution and aspect ratios are accepted. Fine-art textured papers, canvas materials, smooth papers and wood panels/boards are all accepted. Any original with an extra shiny surface or glossy resin coating will need to be further inspected before photographing.

TIMEFRAME:

Drop-off and pick-up is required for all work. The photo studio is located in Downtown Squamish. Turnaround times for most projects are 5 business days. All originals dropped off for reproduction are required to remain in the studio until all post-processing is completed. This is to ensure the most accurate colors and details are achieved in comparison to the original(s).

DELIVERY:

All files created will be uploaded to a shared drive where both parties will have full access to. Each piece sent in for reproduction will result in (1) processed high resolution file for printing and (1) web resolution file for sharing online. Processed RAW files (TIF) are available upon request should the artist want to edit the file further.

LIABILITY:

Any piece dropped off for digital art reproduction is not covered by any insurance. Any damage to the artist's work when involved in the process of photographing, dropping off or picking up is up to the artist's own risk. That being said, no incident or damage has ever occurred under any circumstance and all work is stored securely in the studio when not in use.
